23 Measuring soil moisture using ground penetrating radar

24 Unsealed rainwater tanks can cause dengue outbreaks

25 District Reports

28 News & New Products

29 Fishing...

Phil's fishing 101 for first timers – and old fageys!

COVER

The Toft brothers invented and sold what was arguably the world's first commercially-viable cane harvester in 1944. Seventy-five years on, the Austoft is still hard at work in Australia and across the globe from India and China, to the Sudan, Papua New Guinea and throughout South America. See article page 15.
