Fishing...

30 Phil has rediscovered an earlier self – and some great 'boy toys'!

COVER

In the early months of the Covid-19 pandemic, there were concerns that the international trade of food and agricultural goods could be disrupted (see story page19). It was predicted that supply chains would disintegrate as factories, warehouses and transport systems shutdown. Well, in Australia, the panic buying of toilet paper saw many 'caught short' and the off-loading of cruise ship passengers was an issue – but we are coping with Covid.
